ABOUT TPSOM

The Pomainos School of Ministry (TPSOM) is a curriculum discipleship training arm of the Pomainos Ministries.

Pioneered in 2018, and hosted at the ministry headquarters in Mbarara, the school's goal is to raise disciples that will become like Christ and follow him to the end. Our focus is a laborious training process of changing and producing a disciple who entrusts himself entirely to follow Jesus in a personal relationship.

ACHIEVEMENTS

The school has by the grace of God graduated 81 students from the 6 streams since 2018, having graduated its very first stream in 2019 with 11 students.

COURSE OUTLOOK

The school offers a **one-year certificate course** that entails **10 modules** which are thoroughly administered both physically and virtually at the Eagles Centre Church Mbarara, twice a week.

It is characterized by **theoretic, illustrative and practical sessions**, assignments, assessments, and evaluations which together contribute to grading of the students.

Course Duration: The course runs for 10 study months with two semesters in an annual intake.

TESTIMONIALS

TESTIMONIALS

“

When I joined TPSOM, I weighed myself; where I was, and I realized that I was empty. I realized that even when you are serving, you need to come back and be equipped to go and serve better. Most importantly, the school helped me to understand the difference between my calling and ministry gift.

TESTIMONIALS

”

Before I joined school of ministry, I used to think these ministry things are for pastors. And I used to tell myself I'm not a pastor, so I don't need too much knowledge to disturb me. I later realized that I was cheating myself and I had wasted time which I never knew how I will ever recover it. But the school impacted me a lot as I got to know who I am in Christ Jesus and made a decision to start serving from wherever I was.
